Also at the DSC/SEL

- 2 presentation practice/group study rooms
 - Check out keys at circulation desk
- 12 communal work stations with large monitors
 - First come, first serve
- Various adapters for Macs
 - Check out at the circulation desk
- 8 scanners
 - Priority to users needing to scan
- ADA accessible PC
- Wireless internet access throughout
- Electrical outlets at every carrel
 - Extension cords to plug in Mac power adapters
 - Check out at the Circulation Desk

@ Monell Eng. Library

- 18 DSC build PCs
- 6 dedicated internet stations
- 2 scanners
- Networked printing
- Wireless internet

**We can help you with your
research**

**We can get you stuff
(even if we don't own it)**

Come talk with us!

We're friendly. I promise.

Orientation 2013

SEAS MA Students

Jeffrey Lancaster, Ph.D.
Emerging Technologies Coordinator
jeffrey.lancaster@columbia.edu

Orientation Tips 2013

- Develop a consistent file-naming system for yourself
 - e.g. JRL_orientation_13_0830_SEAS_graduatesIEOR.pptx
- Take advantage of your subject librarian
- Learn to use the resources, tools provided by the Library
 - CLIO, CLIOmobile, New Arrivals, databases, InterLibrary Loan (ILL)
 - e-link @ google scholar, LibX @ Firefox
- Determine the major journals in your field & set up email alerts, RSS feeds
- Download, install, and begin to use reference management software
 - e.g. EndNote, Mendeley, Papers, etc.
- Download, install, and learn to use the software in your field
- Develop lists of links you often visit
 - e.g. delicious, google+, RSS reader, browser bookmarks, etc.
