NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the marking of photocopies or other reproduction of copyrighted material. Under certain conditions qualified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or other reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or other reproduction for purposes in excess of "fair use," that use may be liable for copyright infringement. This institution reserves the right to refuse to accept a reproduction order if, in its judgment, fulfillment of the order would involve a violation of copyright law.

I have read the copyright warning and believe that my request falls within "fair use" as defined by the copyright law. I further agree to request permission (and pay any fees) of the Rare Book and Manuscript Library if I plan to publish, broadcast, or otherwise disseminate any material held by the Rare Book and Manuscript Library, Columbia University in the City of New York.
