COPYRIGHT INFORMATION

The copyright law of the United States (Title 17, UNITED STATES CODE) governs the making of photocopies or other reproductions of copyrighted materials. Under certain conditions qualified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or other reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or other reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. By signing this form, you acknowledge that your copy request falls within "fair use" as defined by copyright law.
